## VILLA SOPHIE Beschreibung

This dream home is located at the end of a cul-de-sac and intersecting canals, so it is quiet as quiet can be. The southern exposure guarantees the most possible sunshine, watch the dolphins from the lanai or better even from the private dock with Tiki Hut, this is something you'll never forget. It takes only one minute to get out on the river by boat, so you can enjoy all your vacation without wasting a lot of time with 'commuting' like from those locations in the South-western part of Cape Coral. All three bedrooms have King-Size beds for your convenience, so there is no necessity to 'toss a coin' who will get the best bedroom. In the great room you will be impressed by a soaring 15' ceiling, a big screen TV and the 9' high sliding door to the pool area providing you with a gorgeous view over the pool area to the waterfront. The home is surrounded by tropical landscaping with mature coconut palm trees, so you'll really feel what 'Waterfront Paradise' means
